## Application Procedures and Timeline

The VIS Admissions Policy and timeline comply with the Qatari Ministry of Education's requirements. The dates below serve as an approximate guide for planning your child's application to VIS. Please note that final dates are subject to annual approval by the MoE.

Placement in all classes will be determined by the student's previous enrollment year as per MOE guidelines, age, academic and behavioral reports from previous years, and performance on the entrance assessment.

### Important Dates issued by MOE:

- The first-time registration on the Ministry's system (NSIS) for students residing in Qatar will close on **February 26th, 2026**.
- The age cutoff date for registration is **September 30th**.
- Registration for students applying from outside Qatar will close at the end of **May, 28th, 2025**.
- Transfers between schools with different curricula in Qatar will close at the end of **January**.
- Transferring between schools of the same curriculum in Qatar will close at the end of **February**.
